

Alan M. Jacobs Award for Achievement in Introductory Environmental Science

This award (\$130), established by Dr. Alan M. Jacobs, Professor of Geological & Environmental Sciences (GES), is to reimburse exemplary students completing ENST 1500 (Introduction to Environmental Science) for the costs of acquiring:

- *Environmental Science—Health Impacts*, by Alan M. Jacobs and DuWayne Porter, and
- *Need to Know in Environmental Science*, a study guide, by Alan M. Jacobs.

Book royalties are being donated to the YSU Foundation to fund this award.

Application deadline is no later than 5 calendar days before the end of classroom sessions of each semester. Winners will be chosen from those with an “A” grade and the highest accumulated bonus points. Exam grades used to break ties.

The winners may keep, sell, or donate the books to the GES department. Students receiving the books through financial aid sources may also apply.

Application

(Please print clearly using all capital letters- Submit completed application forms to Dr. Jacobs in class or at his office (Moser 2105))

Last Name: _____ First Name: _____ M.I. _____

Mailing Address: (include zip code) _____

Banner No. Y00 _____ Today's Date (MM/DD/YYYY): _____

CRN (section) No. _____ Meets: MTWThF _____ AM/PM (circle)

Semester (F/S YYYY): _____ Instructor: _____

Expected YSU graduation year: _____

Signature of Student: _____

(By signing, I affirm that I had my own copy of both books bought or provided on scholarship.)

Office use only:
